## Back-to-School Annual Fund Drive

Little School

PTO

The E.E. Little School PTO is dedicated to enhancing our students' elementary school experience through fun and educational enrichment programs, technology and much more. Last year, the PTO funded \$15,000 of enrichment activities; that's **\$50 per student!** The PTO purchased \$6,900 worth of Chromebooks and \$2,300 in Lego Robotics kits for the school. This would not be possible without the generous support of our Little School families!

The 2020-2021 school year has begun and **our fundraising goal for the year is \$20,000!** This year's fundraising events will look different but will include some fun community building and we hope to bring back in-person events. These events fund a lot for our school, but we need your help for the rest! **Please help us reach our Fall Annual Fund Drive goal of \$10,000!**
